Stroud Parish Council

National Park Local Review including proposal to build home in Stroud

Residents of Stroud

The Parish Council request your input for:

The South Downs National Park Local Plan Consultation

live until 17th March

We encourage all residents to log on and have your say

The South Downs Local Plan Review - South Downs National Park Authority

Public Meeting

Tuesday 4th March 7:30pm at Stroud Village Hall

Residents may wish to attend this meeting before submitting their own comments.

Specifically there is a proposal to potentially build some new houses behind the care home North of Winchester Road.

We understand why Stroud appeals to the National Park for building as we are on a trunk road near to a town: but out initial Parish Council conversations have led to the conclusion that this is an inappropriate site for additional development : mainly due to:

It being on the wrong side of the A272 from the Village facilities/centre.

The need for major road development to make the Ramsdean Road crossroads safe for traffic and pedestrians. Traffic light crossings are unusual on major roads.

The development exit being on the inside of bend in the road.

Stroud recently building 30+ new homes.
