Your Councils – A Better Future

Big changes are coming to councils in our area – and your voice matters.

SIMPLER.
STRONGER.
SECURE.

Government wants to reduce the number of councils we have in Hampshire and the Solent area and replace all 15 councils with a smaller number by 2028.

It means huge changes to how services like roads, schools, social care, housing, bin collections and planning are delivered in your area.

We've looked at different options and want your views on our ideas for what could work best for everyone – before we suggest them to Government.
